The City of Fort Valley is proud to announce a special offer to support those affected by Hurricane Helene. In the aftermath of this devastating storm, we want to extend a helping hand to those who have been displaced or are struggling to recover.

We invite individuals and families from the affected areas to come to our beautiful City of Fort Valley Festival Park, where we have prepared a special RV Park to provide temporary accommodations. Our RV Park offers comfortable and secure spaces, complete with amenities such as water, electricity, and restrooms.

Our goal is to provide a safe and welcoming environment for those affected by the hurricane, where they can take a moment to rest, recharge, and begin the process of rebuilding their lives. We understand the difficulties that come with displacement and want to do our part in supporting the recovery efforts.

Our RV Park will be open for a limited time, and we ask that those interested in utilizing this service contact us in advance to make arrangements. We will do our best to accommodate your needs and provide any necessary assistance.
